

Missouri Travel Barometer
June 2014 Report
(Data available as of 7/14/14)

The Missouri Division of Tourism research team analyzes a range of tourism research metrics in order to provide the Missouri travel industry with a monthly *Missouri Travel Barometer*. The main goal of this report is to answer the question, “How is tourism doing statewide?” The barometer shows key travel indicators that - at a glance - illustrate various measurements that affect Missouri’s tourism industry and are indicators of its health. The *Missouri Travel Barometer* is updated on a monthly basis. Our industry is notified via *The Monitor* (the MDT industry eNewsletter) as each new report becomes available -- go to www.VisitMO.com/industry to subscribe.
